Dear Forces members,

Thank you for your contributions in helping us refine our study. We are attaching the minutes, and look forward to your response.

Follow up from your side!

1. Confirmation on the staff who will be involved in the study. We suggest you depute a team of two capable field staff, who are familiar with anganwadis in the community. It would be helpful if one of these is a coordinator /supervisor.
2. Please confirm the number of anganwadis you will study and their geographical area.
3. As discussed, formal permission will be sought from the Department and a training program organized for the study team on ECCD/ICDS/ Data collection.

List of commitments:

Sl no	Organisation	No of anganwadis	Training team	Geographical area
1	Belaku Trust	10 (+3)	2	
2	APD	5 (+2)	2	
3	MAYA	10	-	
4	KSCCW	5	2	
5	Sanjivini Trust	3	2	
6	CHC	5	1	
7	REDS	5	-	

To Dr TN
for information
during the last
meeting the group
further refined
the measures and
methods.
