ANNUAL REPORT
1998-99

GUMBALLI P H C

Run by
KARUNA TRUST

KARUNA Trust is a Voluntary Organisation committed to the cause of Rural Health and Rural Development.

Objectives:

- Integrated Development of the poor and marginalised people, rural and tribal, of Yelandur and T. Narasipur Taluks, through health, education, vocational training and socio-economic programmes.
- To empower rural poor to organise themselves and work towards achievement of self-reliant community.

Project Area: Entire *Yelandur Taluk* of Chamarajanagar District, with 76,000 people living in 40 villages in 12 Gram panchayats. Six Gram panchayats of *T. Narasipur Taluk* in Mysore district with 38,000 people living in 46 villages.

YELANDUR PROJECT:

I) Health Programmes: a) Leprosy b) Epilepsy Control c) Tuberculosis Control
d) Community Mental Health e) Community Based Eye Care f) Community Dental Health Programme h) Community Based Rehabilitation (CBR) Programme
j) Drinking Water and Sanitation

II. Socio-Economic Programmes: Coordination of CBCS & DWACRA, Community polytechnic, KVIC Programmes Herbal Medicine Processing Unit (HMPU)

III. Human Resource Development Programme: A Centre to motivate and train social "workers with emphasis on development of physical, mental and spiritual potentials.

T. NARASIPUR PROJECT:

The T. Narasipur branch was started in 1996 in collaboration with Dr. M. Nagaraju & Mrs. Renuka Nagaraju Charitable Family Trust. The Programmes being undertaken at present are:

- a) Community Health b) Vocation Training c) Primary Education and Literacy
- d) Community Organisation e) Other Rural Development Programme.

Gumballi PHC
Progress Report
1998 - 99

A New PHC (Gumballi) and associated sub-centres has been sanctioned by the Health Department Government of Karnataka and handed over to Karuna Trust (vide Government order No. HFW 106 AP No.95, Bangalore dated 11-03-96). Karuna Trust took over the management Gumballi PHC and its 3 sub-centres from 01-03-96. It has appointed its won staff and running the PHC in its premises at Gumballi. The following staff were appointed by the Karuna Trust.

Medical Officer	- 1
Pharmacist	- 1
Lab Technician	- 1
FDC	- 1
Group 'D'	- 1
ANMs	- 4
Male Health Workers	- 2

1. MCH and Family Welfare (RCH Programme):

Three *Tribal ANMs* specially trained to work in tribal areas have been in-charge of the sub-centres. They have provided Anti-natal care to all the pregnant mothers - Registered them before 12 weeks and checked Blood Pressure, examined urine for Albumin and sugar, blood for Hb% and gave Tetanus Toxide Injections to all of them. They also conducted deliveries and provided Post-natal care. Iron-Folic acid tablets (IFA) - prophylactic and therapeutic doses were provided to all pregnant women. *CNA Approach* - The ANMs made a survey of their population and prepared *Action Plans* for 1999 - 2000 based on the needs of the community.

Tubectomy and Laproscopic surgeries were done periodically at the PHC with the help of qualified Surgeons, not only for the PHC population but also to the neighboring PHCs. The *Operation Theater* at B R Hills is well equipped and good quality services are provided and the *Institutional Deliveries* have increased considerably compared to previous years.

2. Immunisation:

100% immunisation has been provided to all the pregnant women and all the children have been immunised for BCG, DPT, Polio and Measles. Cold Chain is maintained well with the help of IL Refrigerator and Deep Freezers.

3. Prevention and Control of Endemic diseases (National Health Programmes):

01. Malaria Eradication Programme.
 02. Tuberculosis Control Programme.
 03. Family Welfare Programme.
 04. Leprosy Elimination Programme.
 05. Mental Health and Epilepsy Control Programme.
 06. Blindness Control Programme.
 07. Cancer Control Programme.
 08. School Health Programme.
 09. Aids Control Programme.
 10. STD Control Programme.
 11. Water and Sanitation Programme.
 12. Goiter Control Programme.
 13. Diarrhea Control Programme.
 14. Diabetics Control Programme.
 15. Filaria Control Programme.
 16. Guinea Worm Elimination Programme.
- (Note : Detailed report is enclosed)

4. Curative services:

The curative services are available at PHC throughout the year and emergency medical services were provided 24-hours a day. Periodically, specialists also provided their services to the PHC. Qualified Surgeons and ObG specialists are visiting the PHC regularly and providing *Specialist services*.

5. Health Education & School Health Programme:

This was carried out through individual contact, counseling, group discussion, audio tapes, exhibitions and posters. Health checkup was conducted in all schools of PHC area. In addition the PHC has done the school Health Programme in the entries Yelandur Taluka. The causes and prevention of diseases such as TB, Leprosy, Malaria, were explained to the school children. Along with that, personal hygiene, usage of iodised salt, importance of nutrition, dental care were explained. The Anganwadi and School teachers were also made aware of the above facts.

6. Nutrition:

Nutrition is provided to under-5 children through Anganwadi in the PHC area under ICDS scheme. PHC supervised the Nutritional Monitoring, health checkups, immunisation of children and provided health and nutrition education.

7. Safe drinking water and sanitation :

PHC has taken up the responsibility of providing safe drinking water by chlorination of over-head tanks, wells and also created awareness about safe drinking water, sanitation and construction of sanitation latrine.

8. Provision of essential drugs :

The PHC is committed to providing essential drugs and all the essential drugs are made available at the PHC. Rational drug therapy is practiced in the PHC.

9. Community Participation:

The PHC ensured the *Equitable Distribution* of Primary health services by ensuring access of health services to the poor and the marginalised especially SC and ST communities by special efforts like Yellow Card Scheme.

- PHC staff participated in the *Grama Panchayat* meetings at Gumbhalli and Yeragambally.
- *Village Health Committees (VHCs)* have been set up and these provide support in various health activities in all the sub-centres.
- *Mahila Swastha Sanghas* were involved in all health programmes - motivation for sterilisations, immunisations - and they participated in group discussions.
- *Local resources* have been mobilised for the effective functioning of the PHC.

10. The appropriate health technology: Like ORT, traditional medicine, are promoted in the area and the health staff are provided suitable training to do this.

11. Efforts are being made to ensure Multi-sectorial approach for the integrated development of the people by the convergence of various services at community level - Health, Education, ICDS, Panchayat Raj Institution, Public Engineering etc.

12. Effective Referral services are being provided from sub-centre to PHC, PHC to Taluka & District Hospitals. Our ambulance is very useful in providing referral services. In addition specialist services are also made available at PHC.

13. Socio-Economic Programmes for Gumballi PHC Population: Karuna Trust believes in the integrated development of people and health status can be improved only when there is Socio-economic development of the community. Our PHC staff in addition to the health activities supervise the socio-economic activities.

Community Organisation:

a) Mahila Swasthya Sanghas:- There are five MSSs in Gumballi, Komaranapura, Ganiganur, Krishnapura and Uppinamole villages of PHC. Health Baby shows and health awareness camps are organised by MSSs.

b) Self Help Group:- Seven SHG groups have been formed to do micro-financing and other activities.

Economic Development:-

DWACRA programme: 12 DWACRA groups have been formed in Gumballi, Komaranapura, Ganiganur, Krishnapura and B R Hills. They are being supervised by KT staff.

CBCS (Community Based Convergent Services) programme:- The UNICEF sponsored CBCS programme is being implemented in Gumballi, Komaranapura, Ganiganur, Krishnapura and B R Hills villages.

KVIC Programme:-

a) Spinning Cotton and Polyvastra	: 50 Women
b) Agarabathi rolling	: 60 Women

Model Village Project:- We are collaborating with model village project sponsored by World Bank at Gumballi to provide Drinking Water, Sanitation & Drainages to the entire village.

14. Trainings to the various staff of PHC :

1. AIDS and STD training programme for PHC staff on 04-01-98 by Dr. Mothi of Ashakrian.
2. CBR training by Mr. Rajendra and Mr. Kevin of ActionAid.
3. RCH training programme for one male Health Worker
4. Tuberculosis training at NTI, Bangalore for two Male Health Workers & Lab Tech.
5. Training in Rheumatic Heart Disease Control by Dr. Mills, U.S.A
6. Mental Health training by Dr. Kishore of NIMANS once a month

15. Liaison with the Government:

We had excellent co-operation and support at the Directorate and Secretariat level. However, we had many difficulties and hardships at the District Health Office level due to the mis-understanding of the purpose of the collaboration of NGO and the Government in providing Primary Health Care to the people. The formation of high power committee to bring about the collaboration is a good step and we look forward to better partnership at the District Level.

15. Constraints and Problems:

1. Inadequate infrastructure for PHC. PHC building has not been contracted and at present the PHC is being run in temporary building.
2. The non-availability of supervisory level of workers like LHV & Senior Health Inspector as they have not been sanctioned.
3. The non-availability of IFA tablets, Vit 'A' drops, disposable dai's delivery kits, Anti-Rabies Vaccine & Anti-snake Venome Serum.

Major Achievement of Gumbhalli PHC since July 1996

1) Infrasucture:

a) *PHC Building:* The PHC does not have the building and we are running the PHC in the Karuna Trust building.

b) *Sub-centre buildings :-* The B R Hills sub-centre building has been renovated by Karuna Trust funds. The newly built Komaranapura sub-centre building has been handed over to Karuna Trust. It has been fully equipped and the ANM stays in the sub-centre building.

2. Staff:

Medical officer and other paramedical staff have been appointed by the Karuna Trust and re-oriented in Primary Health Care. In addition a Lady Medical Officer visits the PHC every week for Women Health (RCH) programme. The Medical officer was available at the PHC throughout the Year.

3. Specialist Services & Refferals:

- a) Regular Leproscopic and Tubectomy surgeries are being conducted by qualified Surgeons,
- b) Obstetrician & Gynecologist visits PHC once a month
- c) General Surgeon visits the PHC every week.
- d) Refferals are made to District hospital & K.R. Hospital, Mysore.

4. Ambulance Services:

A fully equipped ambulance service is available at PHC for various Medical Emergencies, Immunisation Programme and Family Planning Programmes.

5. Sickle Cell Anemia Screening programme:

Tribal people suffer from a genetic disease called *Sickle Cell Anemia*. Our Laboratory is well equipped to diagnose Sickle Cell Anemia by Turbidity test and Electrophoresis.

6. Improvement In the Health Status of PHC Population.

The Crude Birth Rate, Crude Death Rate, Infant Mortality Rate, Child Mortality Rate, Under five Mortality Rate, Still Birth Rate, Perinatal Mortality Rate, Neo-natal Mortality Rate, Post natal Mortality Rate, Maternal Mortality Rate of the PHC area are better than the District, State and National Level Figures. Mother and child care, Family Planning programme and Immunisation Programmes have achieved greater success compared to District, State and National Level. (Details are enclosed).

7. Blindness Control Programme:

The Cataract cases are screened by field staff and an experienced Ophthalmic Surgeon does the extracapsular extraction and provides Intra-ocular lenses (IOLs) to all patients free of cost.

8. Integration of CBR:

The Primary Health Care includes Curative, Preventive, Promotive and Rehabilitative services. An attempt is being made, first of its kind in India, to Integrate Community Based Rehabilitation (CBR) of all handicapped people in to the Primary Health Care.

9. Mental Health & Epilepsy Control Programme:-

Hot Water Epilepsy is prevalent in the PHC area and a programme has been launched to control the Epilepsy. With the help of NIMANS we are providing Mental Health Programme to the PHC population.

10. Integrated and holistic approach to Primary Health Care

All the National Health Programmes, Community Health Programmes, Reproductive and child health, Sanitation and drinking water are all given equal importance and integrated in Primary health care.

In addition, Socio-economic programmes have been launched to provide self-employment and to organise the community for better community participation.
